LETTER TO PARENTS AND STUDENTS

Dear Clintondale Families,

The State Board of Education of Michigan State Department of Education adopted a resolution, which prompted all Michigan school districts to adopt a written Code of Conduct. As a result, all Michigan school districts have prepared for distribution to residents and parents of their communities a publication outlining the Student Code of Conduct. The Code of Conduct is very important as it sets the expectations of how students are expected to act as scholars within the Clintondale Community School District.

Most of the items included in the Student Code of Conduct have been a part of policies or rules and regulations of the Clintondale Community Schools in the past. The district has not added any new rules; however, we are enforcing all rules that are listed in the Student Code of Conduct. The rules and policies have been set forth by the administration and the CCS Board of Education. The purpose of organizing the rules and regulations into a single booklet is to be sure that everyone is informed of the formal procedures and processes involving student discipline, including suspensions, expulsions, etc.

The resolution of the State Board of Education has required local districts to expend considerable effort in organizing rules and regulations, which generally affect only a small percentage of the student body. However, discipline problems do occur and, hopefully, this document will provide an orderly procedure for resolving those problems. It should be understood that the primary policy of Board of Education is to solve problems and situations for students whenever possible. Consequences will be administered for discipline issues that arise.

The following will be Zero Tolerance in the Clintondale Community Schools:

- Bomb Threats
- Sexual Acts
- Weapons in Schools
- Drugs in Schools
- Disrespect to staff

The district has developed a new Disciplinary Hearing Committee that is made up of the principal, assistant principal and other district level administrators. Once a decision is made by the committee, the parent can appeal the decision in writing within five business days of receiving the opinion from the committee. The appeal must be forwarded to the Office of the Superintendent. The superintendent will then forward the appeal to the Board of Education for review.

Let's have a great school year, Dragons! If you have any questions or concerns, please do not hesitate to contact my office.

The regulations are designed to guarantee you a safe, productive educational environment. You will inevitably discover that the amount of education and fun you derive from your high school years is directly proportional to the amount of time and effort you put into it.

We sincerely hope both parents and students will take the time to carefully read the entire booklet and keep it on file at home. If you have questions concerning any of the information, please don't hesitate to call us. We are here to serve you, the parents and students of Clintondale.

Respectfully,

I. GENERAL POLICIES

ATTENDANCE POLICY

Regular attendance is essential in achieving a quality education. Classroom attendance provides students the opportunity to participate in group activities, classroom discussions, and other related educational experiences.

All students enrolled in Virtual Learning will: attend all scheduled courses/teacher lessons each day; know and follow each course/class daily agenda and due dates; must monitor and participate fully through Schoology, the district's learning management system; complete and submit all homework assignments and tests; and complete Schoology training to ensure remote success.

Students may acquire ten **(10) undocumented** absences per class, per semester. An absence confirmed with proper documentation is NOT recorded as part of these ten (10) allowable absences. Documentation **must be provided within forty-eight (48) hours** upon a student's return to school. The following absences may be documented:

- Medical with a physician's note
- Student Activity
- Pre-arranged absence w/administrative approval
- Family bereavement
- Court appearance
- Youth Home
- Homebound

Clintondale High School has established attendance guidelines to address the consequences for excessive excused and unexcused absences. These guidelines will take effect when a student accumulates eleven (11) absences in one or more class, whether the class is virtual or face to face. Parents may obtain access to their student's attendance through the Parent Portal, or by contacting the Attendance Office at 586-791-6301, ext. 2400. Administrative action may include, but is not limited to the following:

- Meeting with the CCS Attendance Team
- Macomb County Truancy Program referral

A student may still be assigned a grade of an "F" if they fail to meet the subject area content expectations for the class regardless of his/her attendance.

THERE IS NO WAY TO DUPLICATE THE CLASSROOM EXPERIENCE AFTER A STUDENT HAS BEEN ABSENT.

EXCUSED ABSENCE POLICY GUIDELINES

Attendance every hour every day is crucial for the student to benefit and achieve the best possible education.

The following types of absences will not count toward the student's allowable (10) ten:

- 1) Verifiable extended illness
- 2) Medical/Dental appointment (Five (5) allowed with verifiable documentation from your doctor indicating that these appointments must be made during school hours. FOR EXAMPLE: **orthodontic appointments, counseling appointments, and medical specialist appointments.**)
3. School sponsored or sanctioned activities are exempt from, and will not count toward the total number of 10 absences.
4. College visitations, maximum number of two per school year with pre-approval of Counseling Office
5. Funerals with proper documentation
6. Court appearances with proper documentation
7. Pre-arranged family trips - One (1) request per school year.

Notification must be received ten (10) school days prior to departure. REFER TO PRE-ARRANGED ABSENCE POLICY. THE STUDENT MUST BRING IN THE APPROPRIATE DOCUMENTATION IMMEDIATELY UPON HIS/HER RETURN TO SCHOOL.

B. The first suspension will count toward the 10 days of allowable absences.

PROCEDURE FOR REPORTING ABSENCES

- A) To excuse a student's absence, parents must contact the Attendance Office (at 791-6300 Ext. 2400) by 3:00 PM on the day of the absence **but no later than 10:00a.m.** on the day of his/her return (**notes will not be accepted**). Parents may also call after 3:30 PM and before 7:30 AM at 791-6309 Ext. 9003 to report absences on a recording device.
- B) To excuse a student for a partial day absence, the parent must call and indicate the student's approximate time of arrival. **IMMEDIATELY** upon arriving at school, the student must report to the Attendance Office for a pass. If the student does not obtain a pass upon arrival, **the absences will be unexcused.** (Reminder: attendance is taken each hour, therefore if a student is tardy to their first hour, he/she should still report to school.)
- C) If a student's name is on the excused absence or tardy list, but is reported present in any of his/her classes, his/her name will be removed from the excused list.
- D) A student will be given one (1) day for each excused day of absence to make up any missed assignments and turn them in to the teacher. **It is the student's responsibility to meet with the teacher and obtain any missed assignments.**

- E) **SUSPENSIONS** from school will not be counted as an unexcused absence.

SIGN OUT PROCEDURE

- A) Students who leave before the end of the school day **MUST** follow the **SIGN OUT PROCEDURE**.
- 1) The student must advise the appropriate office of his/her desire to leave school, and he/she must state the reason.
 - 2) The administrator (or designee), **in the case of illness** will contact the parent or guardian for permission to release the student.
 - 3) Failure to follow the sign out procedure, will result in an **unexcused** absent, for any class missed, and disciplinary action may be taken.
 - 4) Calls received from anyone other than a parent/guardian or emergency contact person, to sign out a student, with the student's knowledge, may warrant disciplinary action. For any sign outs due to doctor or dentist appointments, etc., proper documentation must be provided upon the student's return.
 - 5) Lunch Sign-Outs - Each student is allotted 30 minutes for lunch. CHS has a closed lunch policy, however; if a student wishes to sign out at lunch, a call from the parent/guardian must be made before 9:00 a.m. The parent/guardian must specify which lunch period the student has. If the call comes in after 9:00 a.m., documentation; i.e. doctor's note must be provided upon the student's return to school in order for the absence to be excused. **FAILURE TO PRESENT PROPER DOCUMENTATION UPON THE STUDENT'S RETURN TO SCHOOL WILL RESULT IN AN UNEXCUSED ABSENCE** for the hour or hours missed. A student can only sign out for lunch during his or her lunch time. Please call the Attendance line at ext. 2400.

Tardy Policy:

- 1) Punctuality is a lifetime habit, which students should develop. Attendance is taken every period. A student should be considered tardy if he/she is not through the doorframe of the classroom when the bell stops ringing. If a student enters the classroom within the first five (5) minutes after the bell has rung to begin class, that student is considered tardy. Students who are late more than five (5) minutes are considered absent. When a student accumulates two (2) tardies, one (1) unexcused absence will automatically be recorded. Each group of two (2) tardies will similarly be recorded as an unexcused absence. Tardy conversion absences will apply toward the ten (10) allowable absences per class, per semester, and are subject to the Attendance Guidelines.

- 2) **FIRST CLASS OF THE DAY! (ZERO OR FIRST HOUR ONLY)** - A student will be considered tardy if he/she enters the classroom after the tardy bell rings, and is less than twenty (20) minutes late and meets the following condition: Parent/Guardian calls and indicates that the student will be arriving tardy, **prior to the student's arrival at school. IMMEDIATELY** upon arriving at school, the student must report to the attendance office for a pass. If the student does not obtain a pass upon arrival, **he/she will be marked absent unexcused.**
- 3) If a student elects not to attend the class, it will be considered an unexcused absence and disciplinary action may be taken.

UNEXCUSED ABSENCE POLICY GUIDELINES

An unexcused absence is defined as follows:

- a) A student missing any class without parental knowledge.
 - b) A parent or guardian did not make notification of absence.
- Unexcused absences may lead to disciplinary action.

LEAVING THE SCHOOL AND/OR NOT ATTENDING CLASS DURING THE REGULAR SCHOOL DAY FOR ANY REASON, INCLUDING ILLNESS, WILL BE CONSIDERED UNEXCUSED UNLESS PROPER SIGN OUT PROCEDURES ARE FOLLOWED.

Students will not be allowed to make up any missed assignments, quizzes, tests, or exams in any class for which they have been marked absent unexcused.

PRE-ARRANGED ABSENCES

If written notification is received **ten school days** prior to departure, our counseling department will send out the requests for the student's homework from his/her teachers. The homework packet may be picked up in the counseling office.

If the notification is not received **ten school days** prior to departure, it is the student's responsibility to acquire his/her homework. A student will be given one day for each day of absence to turn in any missed assignments. **It is the student's responsibility to meet with the teacher and obtained any missed assignments.**

Please remember that it is the student's/parent's responsibility to monitor his/her attendance. The above notice and assistance is to help you. **Lack of notification, however, is not grounds for poor attendance or for an extension of the days allowed by the policy.**

ABSENCE FROM CLASS FOR SCHOOL SPONSORED ACTIVITIES POLICY

All students being transported on a field trip must have a permission slip turned in to the sponsoring teacher prior to the departure of the trip. All students participating in the field trip will be marked as absent excused, in any class he/she did not attend due to the field trip. The sponsor assumes responsibility for the attendance of these students. Under no condition should the student be denied permission to make up work missed during this type of absence.

MAKE-UP WORK MISSED DURING ABSENCES

All daily work is considered part of class requirements and must be successfully completed if a grade is expected. Make-up at school is not mandatory unless the work missed is such that the teacher considers it necessary for the student to be under his/her supervision or to use school equipment or facilities to complete assignments.

All tests and daily work missed during excused absences can be made up. It is the responsibility of the student to request make-up work. It is the responsibility of the teacher to provide an opportunity for students to make-up work missed within the time limits allotted.

All students are encouraged to obtain all assignments, prepare for all tests, and receive updates prior to their return from any absence through the use of the homework hotline. Students will be given the identical amount of excused absence time for make-up work time. If a student is excused absent for one (1) day, he will be given one (1) day for make-ups. This does not preclude additional time allowances, which may be arranged with the teacher.

NON-SMOKING POLICY

Public Act 314 "Youth Tobacco Act" - "An act to prohibit the selling, giving, or furnishing of tobacco products to minors; to prohibit the use of tobacco products by minors; to prohibit the harboring of minors for the purpose of indulging in the use of tobacco products; to prescribe penalties; and to prescribe the powers and duties of certain state agencies and departments."

Because of the advent of this law, it is now unlawful for a school to allow or condone the use or possession of tobacco or tobacco products by a minor on school property.

MEDICATION

Students are not to take or have any medication (prescription or nonprescription) in their possession without prior approval from the administration. For school personnel to administer medication to a student, the parent must complete one of two forms (one for prescription, the other for nonprescription). Both are available in the school Office. A doctor's signature is required before prescription medicine may be given. If seen in a student's possession or discovered in any search of lockers, cars, and/or their person, it will be confiscated.

PRIVACY OF RECORDS

Under the Family Educational Rights and Privacy Act (FERPA), no teacher, guidance counselor, or school administrator who maintains student records, or who has records in custody, may disclose any information contained in those records without a written release from the parent, legal guardian, or by court order. This includes any proceedings, civil or criminal, records will be kept secure at all times and will be available to parents within legal guidelines and with prior notice.

LOST AND FOUND

All found articles should be turned into the Attendance Office. It is the responsibility of every student to do whatever he/she can to protect and take care of the possessions of others as well as his/her own. Lost articles may be claimed during school hours in the Attendance Office.

LOCKERS

Students will be assigned a locker and may have to share it with a classmate. Damaged lockers or locks should be reported to the appropriate office immediately. **THE SCHOOL DOES NOT ASSUME RESPONSIBILITY FOR LOST ARTICLES FROM LOCKERS.** The school discourages from bringing into the building, any valuables that are not required. Students must guard the combination of their locks both hall and locker room locks. Students are expected to keep a clean and orderly locker at all times. **Lockers are the property of the school district and may be subject to search by school officials at any time.**

The Clintondale property is monitored by security cameras, which are fully operational and may at any time be videotaping. The videotape may be reviewed and the information used in the event of an incident on Clintondale property. Students and staff are encouraged to continue to practice good personal safety and report any incidents of unusual activity observed on Clintondale property.

Section 4

Chromebook Property

The use of a school issued Chromebook is a privilege and all users with that privilege have no expectation of privacy in email, data on the Google Drive, network communications, Internet use, video recording, and all other technologies available on or through the Chromebook.

Chromebooks remain property of Clintondale Community Schools and all users understand that their use of the Chromebook can and may be strictly monitored electronically or otherwise by School District personnel at any time. Refer to the Clintondale Community Schools Network and Internet Access Agreement that was signed at enrollment by students and parents for student user accounts: <https://www.clintondaleschools.net/wp-content/uploads/student-aup-policy.pdf>

Lost or Damaged Chromebooks

Lost Chromebooks are the responsibility of the student; loss is not covered by Clintondale Community Schools. Repair and replacement costs must be paid in full by the parent/student per incident.

Lost or Missing Chromebook

- Parent/student pays \$200 for the replacement cost of a Chromebook

Damaged screen

- Parent/student pays \$50 for the replacement of a Chromebook screen

Lost Charger

- Parent/student pays \$20 for a replacement charger. They are available at the school store for purchase.

Chromebooks that are missing, broken, or fail to work properly must be brought to the high school office and a form must be filled out for the damaged or lost Chromebook. Parents will be required to sign the form and pay replacement fees if needed. If a loaner Chromebook is requested, one may be issued to the student until their Chromebook can be repaired or replaced based upon parent and/or principal approval.

Chromebook Return

Student Chromebooks and chargers will be collected at the end of the 2019-2020 school year.

Any student who transfers out of Clintondale Community Schools is required to return his or her Chromebook and charger. If a student fails to return his or her chromebook, the student/parent is responsible to pay for the replacement fees in order to receive a Chromebook for the next school year. The student's high school diploma, transcripts, and reports cards will be held until they return their Chromebook or pay replacement fees.

General Precautions

- No food or drink is allowed next to your Chromebook while it is in use.
- Cords, cables and removable storage devices must be inserted carefully into the Chromebook.
- Never carry the Chromebook while the screen is open unless directed to do so by a teacher.
- The Chromebook should be shut down when not in use to conserve battery life.
- Never shove Chromebook into a locker or wedge into a book bag; this may break the screen.
- Do not expose your Chromebook to extreme temperatures or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the device.
- Always bring your Chromebook to room temperature prior to turning it on.

The protective shell of the Chromebook will only provide basic protection from everyday use. It is not designed to prevent damage from drops or abusive handling. Carrying the Chromebook in a padded backpack or padded case provided by Clintondale School District is acceptable provided the backpack or case is handled with care. For example, you shouldn't toss the backpack or drop the backpack if your Chromebook is inside.

Screen Care

The Chromebook screen can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on top of the Chromebook.
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not place anything in your carrying case that will press against the cover.
- Do not poke the screen.
- Do not place anything on the keyboard before closing the lid, e.g., pens, pencils, notebooks.

Clean the screen with a soft, dry anti-static or microfiber cloth. Do not use window cleaner or any type of liquid or water on the Chromebook. You can also purchase individually packaged pre-moistened eyeglass lens cleaning tissues to clean the screen. These are very convenient and relatively inexpensive.

Using Your Chromebook

At School:

The Chromebook is intended for use at school every day upon teacher approval. Chromebooks must be brought to school each day in a fully charged condition. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars, academic handbooks, student handbooks and schedules will be accessed using the Chromebook. Students must be responsible for bringing their Chromebook to all classes unless specifically advised not to do so by their teacher.

At Home:

Students are required to take their Chromebook home each night throughout the school year for charging.

Students should charge their Chromebook each evening. If students leave their Chromebook at home, they will have to work with pencil and paper and transfer work to the Chromebook at home. Repeat violations of this policy will result in referral to administration and possible disciplinary action.

It is recommended that students not carry the AC Adapter power cord (charger) to school. If fully charged at home, the battery will last throughout the day.

Sound

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Students may also be instructed to use earbuds or headphones.

Printing

At school printing functionality will be available on a limited basis at school and subject to classroom requirements. Teaching strategies will facilitate digital copies of homework.

Managing Your Files and Saving Your Work

Students should save all files and documents to their Clintondale Google Drive. Saving to the Google Drive will allow students access to their files accessible from any computer with internet access logging in with their Clintondale Google email account. Saving to the Google drive also ensures automatic backups provided by Clintondale's Google Console. It is the responsibility of the student to maintain the integrity of their files and keep proper backups if they are not using their Google Drive (such as saving directly on the Chromebook or to a different cloud storage account). Students will be trained on proper file management procedures.

Chromebook Identification

Chromebooks will be labeled in the manner specified by the school. Chromebooks can be identified in the following ways:

- Student name and grade label
- Record of serial number and asset tag
- Clintondale Google email address

Under no circumstances are students to modify, remove, or destroy identification labels. If the Chromebook name identification label or asset tag is removed, they need to request new labels from the high school office. Students are asked NOT to personalize the Chromebook with stickers, ink, or other. Any student violating their Chromebook identification is subject to having their Chromebook revoked.

Software on Chromebooks

Originally Installed Software:

Chromebook application software is delivered electronically via the Chrome Web Store from Clintondale's Technology Department to the Chromebook application section. Students do not have access to install applications from the Chrome Web Store.

As requested by teachers and administration, the technology department will add software applications for particular courses and/or for mandatory Michigan testing applications such as M-Step and WIDA. The software process will be automatic with virtually no impact on students. Students may need to restart their Chromebook for immediate use of the applications.

All Chromebooks are supplied with the latest update of Google Chrome Operating System (OS) and many other applications useful in an educational environment. The Chrome OS will automatically install updates when the computer is shut down and restarted.

Inspection:

Students may be selected at random to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care and maintenance, as well as inappropriate material being carried into the school.

Restoring the Chrome OS

In the case of a Google Chrome OS failure, Clintondale's Technology Department will restore the device to the factory default state in which the user originally received it. All files saved on the Google Drive and Clintondale email account will remain intact. All other data (music, photos, documents) stored on internal memory that has NOT been synced on Google Drive or email will not be restored.

Storing Your Chromebook

Students should know where his or her Chromebook is at all times. When students are not monitoring their Chromebook, they should be stored in their lockers with the lock securely fastened. Nothing should be placed on top of the Chromebook when stored in the locker. Students need to take their Chromebook home with them every night. The Chromebook is not to be stored in their lockers or anywhere else at school outside of school hours. The Chromebook should be charged fully each night at the student's home. The Chromebook should never be stored in a vehicle.

Storing Chromebook at Extracurricular Events:

Students are responsible for securely storing their Chromebook during extracurricular events.

Chromebook Left in Unsupervised / Unsecured Areas:

Under no circumstances should a Chromebook be stored in unsupervised areas. Unsupervised areas include the school grounds and campus, the cafeteria, unlocked classrooms, library, locker rooms, dressing rooms, hallways, bathrooms, extra-curricular bus, in a car or any other entity that is not securely locked or in which there is no supervision. Students must not loan their Chromebook out to other individuals at any time.

Chromebook Undergoing Repair

If a Chromebook needs repair, a Chromebook damaged form must be filled out at the high school office along with the damaged Chromebook. Screen repairs fees will be required, see page 1. It is important that students keep their school data synced to the Google Drive Cloud to ensure documents and class projects will not be lost. Personal data that cannot be replaced should be kept at home on an external storage device.

Chromebook Technical Support

Students need to report any technical issue with their Chromebook to a Clintondale High School office and fill out a technical maintenance form. The high school secretary will report the issue to Clintondale's Technology Department for the services of the following types of technical related issues including:

Password Identification, user account support, coordination of warranty repair, hardware maintenance and repair, operating system or software configuration support, restoring Chromebook to factory default, and system software update.

Section 5

Student Parking

- 1) Students must register their vehicles with the school and obtain a parking sticker within one (1) week after school begins with a copy of vehicle registration.
- 2) Student parking on campus is a privilege. Failure to permanently affix parking sticker to lower left front windshield and/or parking in an unauthorized area will result in the following penalties (the following penalties may be in addition to such penalties as noted in Sections 1, 2, 3):

The following instances will be considered serious:

Insubordination, snowballing, fighting, profane or foul language, destruction of property and repeated offenses.

Revocation of bus privileges is not an action to be taken lightly. Our mutual goal is to develop student self-discipline, which leads to mature responsibility. Suspensions will be handled as follows (the following penalties may be in addition to such penalties as noted in Sections 1, 2 3):

- a) **First Offense** - One (1) week suspension of bus riding privilege.
- b) **Second Offense** - One (1) month suspension of bus riding privilege.

- 3) Students must be courteous and participate in helping to create the proper spirit at all school-sponsored activities.

Off-Campus

- 1) Students who attend Clintondale sponsored activities, off-campus, are representatives of the school; hence, they are expected to observe high standards of conduct.
- 2) Without express authority to do so, no student may represent Clintondale High School in any official capacity.
- 3) All provisions of the Code are in effect.

Vandalism

- 1) Any student who willfully cuts, defaces, or otherwise injures in any way, any property, real or personal, belonging to the school district is liable for all damages and proper legal authorities will be notified. **The parent or guardian shall be liable to the school district for all property belonging to the district loaned to the student.**

School Cleanliness

- 1) School cleanliness should be a matter of concern for each Clintondale student who has pride in himself/herself and also in his/her school. In the interest of school cleanliness, and to comply with Board Policy, food and beverages will be consumed only in the cafeteria unless otherwise stated.

TEXTBOOKS

Textbooks will be issued by the teacher of the subject in which you are enrolled. All students should have their textbooks and be ready for work during the first week of school. **Students are held responsible to keep books in good condition as well as returning the particular book issued at end of class usage.** All textbooks will be stored in a central depository.

All non-consumable supplies, such as textbooks, science equipment, athletic equipment, etc., that can be reused, if they are damaged, destroyed or lost, must be replaced by charging students **replacement value**, or grades and credits may be withheld.

DROPPING SUBJECTS

Students wishing to drop a class must obtain a Student Change Request form from the Counseling Office. The Student Change Request form must be signed by the teacher, parent and counselor or administrator.

Class changes will be granted for the following rational reasons;

1. Lack of prerequisites
2. Difficulty with subject
3. Previous failure from your current teacher in the same course
4. Completed class in summer school
5. Administration approval.

Please note that most Clintondale High School classes meet for a full year and credit is assigned by semester. Second semester class changes must follow the rational reason of teacher recommendation, difficulty with subject and/or failure. Students dropping subjects without permission will be given a failure on the permanent record for the subject dropped. **STUDENTS DROPPED FROM A CLASS AFTER THE THIRD WEEK OF THE SEMESTER WILL RECEIVE AN "F" ON THE PERMANENT RECORDS.** No student will be permitted to change his/her schedule without permission from the counselor and/or administrator. No schedule change is official unless properly handled through the Guidance Department.

HEALTH SERVICES - EMERGENCIES

- A) All accidents or injuries should be reported to the office or nearest teacher. Parents will be notified when students become ill at school. Students cannot remain in school if they are too ill to stay in class.
- B) Each student should have an **EMERGENCY TELEPHONE NUMBER** listed on his/her first-aid card in the office. It is most urgent that the parent makes note on the first-aid card of any chronic illness or other medical problem; i.e., epilepsy, diabetes, etc. **IT SHOULD BE REALIZED THAT ONLY THE PROVIDED EMERGENCY INFORMATION ON THE EMERGENCY FIRST-AID CARD WILL BE USED TO EXCUSE STUDENTS.**
- C) Clintondale High School will follow the direction of the Department of Public Health - Bureau of Infection Disease Center, Communicable and Related Diseases filed with Secretary of State on April 13, 1993. These rules take effect 15 days after filing with the Secretary of State (By authority conferred on the department of public health by section 5111 of Act No. 368 of the Public Acts of 1978, as amended, being S333.5111 of the Michigan Compiled Laws) R 325.763- R 325.773, R 325.775, R 325.781-R 325.784, R 325.786, R 325.801- R 325.818, R 325.820-R 325.898, R 325.901, R 325.340l- R 325.3409, R 325.3501-R 325.3513, R 325.9001-R 325.9011 Rescinded by R325.199.

WORKING PAPERS

If you are under eighteen and wish to work, a work permit is necessary. An application may be obtained in the Counseling Office. **AFTER** it has been filled out by the employer, bring it back with parent signature together with your birth certificate to the Counseling Office and your working permit will be completed. Work and school hours combined cannot exceed 48 hours per week.

SITUATIONS NOT COVERED

Virtual Learning Code Of Conduct

In the event the district transitions to remote learning, the Attendance Policy will be in force and all students will be expected to attend virtual classes during regular school hours. All Clintondale Community School District students receiving digital curriculum and direct instruction online are subject to any applicable District policies and this Student Virtual Learning Code of Conduct. As a virtual learning student, there are additional rules and expectations regarding prior online etiquette in place in order to protect all students and all staff members. Access to remote learning must be used in a responsible, safe, efficient, ethical, and legal manner. With expanded access to electronic information, the availability of inappropriate material is not uncommon. Some sites contain illegal, defamatory, inaccurate, or offensive information. We especially appreciate partnering with parents to teach responsible Internet use.

Please review the following rules and expectations carefully:

- **Students are responsible for proper behavior** during online learning. Always use a computer in a way that shows consideration and respect. It is not acceptable to use obscene, profane, threatening, or disrespectful language.
- **We take integrity and authenticity of student work very seriously.** Do not cut, copy, or plagiarize Internet content or the work of your online classmates. Teachers do utilize technology programs to check for authenticity. **Copying, knowingly allowing others to copy from you, and/or misusing Internet content will result in disciplinary action.**
- **Security and Safety is a high priority**, especially when the system involves many users. If you identify a security and/or safety problem in the school's computers and/or educational platform, **notify**:

Dr. Shauna Hemler, Assistant Principal at Clintondale High School:
hemlers@clintondaleschools.net

- **It is illegal to create harmful computer viruses.**
- **Remote Learning correspondence is not private.** Never say, write, or record **anything** that will earn you a consequence.
- **Protect your passwords.** Keep it secret from anyone except your parents.

These behaviors will result in disciplinary action.

- Sending or posting discriminatory, harassing, or threatening messages or images.
- Stealing, using, or disclosing someone else's code or password without authorization.
- Copying, pirating, or downloading software and electronic files without permission.
- Sending or posting confidential material, trade secrets, or proprietary information outside of the organization.
- Violating copyright law.
- Engaging in unauthorized transactions that may incur a cost to the school or initiate unwanted Internet services and transmissions.
- Participating in the viewing or exchange of pornography or obscene materials.
- Sending or posting messages that defame or slander other individuals.
- Attempting to break into the computer system of Clintondale Community School District, another organization, or person.
- Refusing to cooperate with a security investigation.
- Using the Education Portal for political causes or activities, religious activities, or any sort of gambling.
- Jeopardizing the security of the organization's electronic communications systems.

- Sending or posting messages that disparage Clintondale High School, Clintondale Community School District Middle or Elementary schools, or another organization's products or services.
- Passing off personal views as representing those of C.C.S.D.
- Sending anonymous email messages.
- Engaging in any other illegal activities.
- Disturbing the Virtual Learning Environment.
- Refusing to follow the rules of the specific Virtual Learning Classroom.
- Unmuting yourself when your teacher has placed you on mute.
- Recording any class session and transmitting it.
- Recording your teacher and/or classmates.
- Not dressed properly for class (ex: dressed in revealing clothes, dressed in with inappropriate sayings). No Pajamas.
- Participation in Cyberbullying and/or Harassment.
- Cheating and/or Plagiarism.

STUDENT EXPECTATIONS AND CONSEQUENCES OF MISCONDUCT

Students of Virtual Learning are public school students; and will continue to be held to The Clintondale Community School District's Discipline Policy. In the virtual environment, however, there is a set of non-traditional types of misconduct that must be regularly monitored and, if not hopefully eliminated altogether, then disciplined in an appropriate manner. Accordingly, in addition to district applicable policies, the Virtual Learning Code of Conduct incorporates expectations of conduct specific to virtual/remote learning classrooms. For example, Internet access is required for all students, but access must be used in a responsible, safe, efficient, ethical, and legal manner. With expanded access to electronic information, the availability of inappropriate material is not uncommon. Some sites contain illegal, defamatory, inaccurate, or offensive information. Although it is impossible to control such misuses, we believe that with responsible use, the benefits of the Internet as an educational tool outweigh the negatives.

BULLYING AND HARASSMENT

Harassment is prohibited between members of the school community, including communication of any form between students, parents, faculty and/or staff, and any third parties directly or indirectly.

We are committed to maintaining a working and learning environment in which students, faculty, and staff can develop intellectually, professionally, personally, and socially. Such an atmosphere must be free of intimidation, fear, coercion, and reprisal.

It is an expectation that all students and employees shall use all equipment and programs for the intended educational purpose. We are committed to protecting students and employees from bullying, harassment, or inappropriate uses of computers or programs to participate in bullying behavior. Bullying and Harassment **will not be tolerated** and shall show just cause for disciplinary action.

Conduct that constitutes bullying or harassment, as defined herein, is prohibited. Bullying, harassment, and cyberstalking are defined as inflicting physical or psychological distress, and/or communicating words, images or language using electronic mail that causes emotional distress and for which there is no legitimate purpose. Any action by a student or parent deemed inappropriate will be fully investigated by the appropriate school administrator.

ACADEMIC INTEGRITY

What is Academic Integrity?

Academic integrity is an ethical code, whereby the student guarantees that all work submitted is the student's own work. Why is academic integrity important?

- When students submit an assignment that is not their own original work, there are two issues involved:
- Students are earning credit for learning material for which they have not demonstrated mastery.
- They may be violating the policies of the school.

What are some examples of **academic integrity violations**?

- There are two kinds of academic integrity violations. One is "plagiarism" and the other is "cheating."
- **Plagiarism** - To steal and pass off (the ideas or words of another) as one's own: use (another's production) without crediting the source. Some examples are, but not limited to the following:
- Copying and pasting a report from the Internet and representing it as your own work
- Copying any other work and not properly citing authorship.

Cheating

- To influence or lead by deceit, trick, or artifice
- To practice fraud or trickery to violate rules dishonestly
- Providing questions/answers/ work to another student
- Receiving questions/answers/work from another student

Consequences of Violation of this Policy:

A variety of consequences will be administered when students are discovered cheating or plagiarizing. Additionally, final grades may be rescinded if a student is found to have cheated or plagiarized after the grade has been posted.

PARENT/GUARDIAN'S RESPONSIBILITIES

As a parent/guardian of a virtual school student, it is very important to understand the responsibilities associated with that role. With the many distractions students have today, it can be difficult for some students to set aside time to work on courses when not in school. It is the responsibility of the parent/guardian to encourage the student to manage their time in an effective way.

Teachers will keep the parent/guardian apprised of the student's progress and will initiate contact if they fall behind in their coursework.

Parents are expected to supervise and monitor their student's progress throughout the duration of the course, just as you would in a regular learning setting. This can be accomplished by accessing the parent portal account periodically to monitor student progress.

Parents should support Academic Integrity. Academic Integrity is one of our core values and one of the most important areas of focus as a learning organization. Students with Academic Integrity make decisions based on ethics and values that will prepare them to be productive and ethical citizens.

You may contact your child's teacher directly via email to answer questions about the course that you may have. When a parent/guardian has a concern about the

child's performance or behavior, the parent/guardian should set up a conference with the child's teacher.

After reviewing this Virtual Learning Code of Conduct, please complete your Virtual Learning Code of Conduct agreement form by signing and submitting electronically.

Student-Athlete Code of Conduct

The following list highlights important guidelines of the Clintondale High School Student Activity Code of Conduct. Each student receives a copy of this code of conduct at the time of enrollment to Clintondale High School. The rules will apply on a **twelve-month basis** throughout the student's high school career.

1. Athletic/Academic Eligibility

MHSAA guidelines require a student to be passing a minimum of four (4) full-time subjects to be eligible for participation in interschool contests. Individual athletes' grades will be reviewed every two weeks and at the end of the semester in order to check their academic eligibility status according to the standards set forth by the Michigan High School Athletic Association. If a student-athlete does not meet the minimum academic requirements during a two-week check, then they will be suspended from athletic activities until the next two-week check. Furthermore, if a student-athlete at the semester check does not meet the minimum academic requirements, then they are **ineligible** to compete in athletics for the following semester.

2. Gross Misconduct

A student shall not engage in acts of gross misconduct, including but not limited to, behavior in which is addressed in the student handbook such as acts of theft, extortion, vandalism, assault, sexual misconduct, and gross disrespect. Violations will be dealt with on an individual basis and penalties will range from administrative intervention to exclusion from athletic activity participation.

3. Alcohol and Substance Abuse

Use, possession, attempting to possess, concealment, distribution, sale or being under the influence of the following substances is prohibited:

- A. Tobacco or tobacco products in any form
- B. Alcohol or alcohol beverages in any form
- C. Illegal or unauthorized drugs, including, but not limited to, those substances defined as "controlled substance" pursuant to federal and/or state statute
- D. Steroids, human growth hormones, or other performance-enhancing drugs
- E. Substances purported to be illegal, abusive, or performance-enhancing drugs
- F. Inhalants

4. Penalties for Substance Abuse

These guidelines supplement and do not supersede or modify the District's Student Code of Conduct, with which all students are expected to comply. Violations of the Student Code of Conduct may result in suspension or expulsion from school, and would also affect a student's eligibility to participate in extra/co-curricular activities.

First Violation

A student-athlete will be suspended from all remaining participation during the season in which the violation occurs. If the violation occurs out-of-season, the athlete will be referred to the CARE Program and if he/she attends programs arranged by CARE, he/she could be reinstated for the next sport season, with no loss of eligibility, based on administrative recommendation.

Second Violation

Same as first violation, i.e., off the team/activity for the remainder of the season, and the athlete will lose eligibility for the first half of his/her next sport season. The student-athlete will be required to attend programs arranged by CARE.

Third Violation and Subsequent Violations

The student-athlete will lose eligibility to participate in any interscholastic athletic competition and will be suspended from all student activities for one (1) calendar year from the time of the violation. The student-athlete will be referred to the CARE and will be required to follow the recommendations of the CARE in order to restore their eligibility for future years subsequent to the one (1) year suspension. Any cost for required classes is the responsibility of the student and their parents.

5. Attendance and Suspension from School

Any student-athlete who is suspended from school for violation of the Clintondale High School Student Code of Conduct will be ineligible to participate in practices, competitions, or any outside-of-classroom activities for the duration of the suspension. Students must be in attendance on the day of a scheduled athletic contest in order to participate, unless, a school official has been notified.

6. School Issued Equipment

All student-athletes are responsible for keeping athletic equipment in good repair. All student-athletes are responsible for the replacement cost of the item that has been lost or mistreated.

It is a student-athletes responsibility to keep all issued equipment protected and secure. If a mishap occurs regarding school issued materials, then the student-athlete or parents shall notify the Athletic Director immediately.

7. Transportation

All student-athletes are expected to ride to and from all athletic activities on the transportation arranged by the Athletic Department. If a student needs special accommodations, they shall notify the supervising coach and the Athletic Department 48 hours prior to the date of the contest/event.

Clintondale Athletic Honors

The Clintondale Athletic Department is proud to recognize student-athletes with the following athletic awards. Upon completion and in good standing with the team, the student-athlete will receive one of the following awards:

Freshman Athlete – A Freshman Certificate

Junior Varsity Athlete – A Junior Varsity Certificate

Varsity Athlete – A Varsity Certificate and a varsity letter “C” for his/her varsity jacket.

Scholar-Athlete Award – Following each season the MAC recognizes any senior student athlete who has maintained a 3.0 or higher GPA. The student receives a certificate from the MAC.

Parents' Code of Conduct

In order to establish a successful event, all parents and supporters are requested to adhere to the sportsmanship guidelines that we have outlined for each participant's family. Please note, that participation in athletics is a privilege and not a right for your child and/or participant.

All parents are required to attend a pre-season meeting with your child's coach.

Parents shall not interfere with practice or game events. If negative interference does occur, the parent could be removed from the situation and may be asked not to attend the remainder of that sport season events.

1. I will encourage good sportsmanship by being a positive role model.
2. I will try my best to make athletics a positive experience for everyone involved, i.e., participants, coaches, officials, and spectators.
3. I will insist my child treat other participants, coaches, officials, and fans with respect.
4. I will reinforce the school's drug and alcohol free policies and refrain from use of alcohol and other drugs before or during contests.
5. I will do my best to understand and appreciate the rules of the contest.
6. I will show appreciation for an outstanding play by either team.
7. I will be a "team" fan, not only a "my child" fan.
8. I will help my child learn that success is measured by the development of skills, not just winning or losing.
9. If I have a concern, I will talk to the coach at the appropriate time and place, i.e., never before, during, or immediately after a contest or practice.
10. I will understand my ticket to a school athletic event provides me with the privilege of observing the contest, not berating officials, coaches, or players.
11. I understand the ultimate purpose of athletics. It exists as an integral part of the total educational mission of the school, and participation in athletics is a privilege and not a right.
12. I will support my child in attending both school and practices.

Parent/Coach Relationship

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to children. As parents, when your child becomes involved in our program, you have a right to understand what expectations are placed on your child. This begins with clear communication from the coach of your child's program.

Communication you should expect from your child's coach

1. Philosophy of the coach
2. Locations and times of all practices and contests
3. Team requirements
4. Procedure followed should your child be injured during participation
5. Discipline that may result in the denial of your child's participation

Communication coaches expect from parents

1. Concerns expressed directly to the coach in a respectable fashion
2. Notifications of any schedule conflicts well in advance
3. Specific concerns with regard to a coach's philosophy and/or expectations

Issues appropriate to discuss with coaches

As your child becomes involved in the athletic program at Clintondale High School, they will experience some of the most rewarding moments of their lives. It is important that they understand that there also may be times when things do not go the way you or your child wish. At these times, discussion with the coach is encouraged.

Examples:

1. The treatment of your child, mentally and physically
2. Ways to help your child improve
3. Concerns about your child's attitude and/or behavior
4. Academic support and college opportunities

Issues not appropriate to discuss with coaches

It is very difficult to accept your child's not playing as much or where you would hope. Coaches are professionals. They make judgments based upon what they believe to be best for all students/athletes involved. As you have seen from the prior list, certain things can and should be discussed with your child's coach. Other things should be left to the discretion of the coach.

Examples:

1. Team strategy
2. Play calling
3. Other students/athletes

The Chain of Command

There are students that may require a conference between the coach and the parent. These are encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedures should be followed to help promote a resolution:

1. Call the coach to set up an appointment.
2. If the coach cannot be reached, call the Athletic Director. A meeting will be set up for you.
3. 24-Hour Rule. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and coach. Meetings of this nature do not promote resolution. Please allow twenty-four (24) hours to pass before contacting the coach.
4. If the meeting with the coach did not provide a satisfactory resolution, the next step is to call and set up an appointment with the Athletic Director.
5. The last step: If you still feel a satisfactory resolution was not provided by the Athletic Director, you may call and set up an appointment with the principal.

NCAA Clearinghouse: Don't procrastinate...many junior and senior athletes in line to receive athletic scholarships are discovering that they will be academically ineligible to participate in Division I and II colleges and universities because they failed to meet the academic standards set by the NCAA Initial Eligibility Clearinghouse. If you see any possibility that your child might want to participate in collegiate athletics, please check with his or her counselor for current NCAA Clearinghouse information or call the NCAA Clearinghouse at (800) 638-3731.

Study Table: In order to promote your child's good academic standing in the classroom, we expect and support all coaches to maintain an academic study table for a minimum of 45 minutes a week.

SCHOOL SONG

Cheer, cheer for Clintondale High
Shout out our name clear up to the sky
Victory always, never failing
We're always leading, never trailing
Whether the odds be great or small
Clintondale High will lead over all
While our loyal fans are calling
Onward to victory, RAH, RAH, RAH
Onward to victory !!!

ALMA MATER

We all sing to thee with hearts pure and true
You'll live on our memory, the colors, Gold and Blue
Our loyalty will still remain wherever we may be
Give honor and glory as we hail to thee.

The memory of days gone by will live on and on
The message of our loyalty, our Alma Mater song
Our friendship will continue on,
Unfailing through the years.
May kindness of brotherhood forever be near.

PLEDGE TO THE U. S. FLAG

I pledge allegiance to the flag of the United States of America
and to the Republic for which it stands,
one nation under God, indivisible,
with liberty and justice for all.
